

Designed2Move and Bespoke Wellbeing Announcement – 28th April 23'

We are delighted to announce that from 28th April 23', Designed2Move rehabilitation services will become part of Bespoke Wellbeing Ltd.

Uniting Designed2Move and Bespoke Wellbeing will develop a much wider offering of expert functional rehabilitation and return-to-work support services across the personal injury, occupational health, and income protection markets.

Heather McLellan (CEO at Designed2Move) says, *"With the deep grounding of Designed2Move's services, in occupationally focused and complex MSK and orthopaedic rehabilitation, I am delighted we can come together with a specialist Physiotherapy provider. Bespoke Wellbeing shares the same values and passion for seeking to deliver measurable and meaningful outcomes (especially with regard to work outcomes) with innovative approaches for our clients and customers. I am very excited for the future of this new relationship."*

Clare Henson-Bowen (CEO at Bespoke Wellbeing) says, *"We are extremely excited for this next chapter for Bespoke Wellbeing; bringing together our amazing clinicians and services to truly offer our customers a variety of evidenced-based and clinically effective interventions. And ultimately, make a real difference to a patient's recovery and life."*

Bespoke Wellbeing assures customers that Designed2Move programmes will continue to provide high-quality and person-centered rehabilitation for complex serious injury clients. We have the ongoing support of our experienced team of UK-based clinicians, and we will be looking to further develop our own clinical network with the delivery of Designed2Move's unique clinical training for clinicians.

What happens next?

New referrals continue to be accepted, if you need to discuss a case or want to find out more about the programme, please use our new contact details below.

Existing Designed2Move client cases are continuing as planned - you will have already received specific information from us about this transition period.
